Partner in Vision

“Come learn, serve & grow with us”

“God has planted us in Israel first and foremost to minister to Him in the context of day and night worship and prayer. Out of the overflow of drawing near to Him, we are being sent out first to the Jews and to the nations to proclaim the gospel of the kingdom.

Our three fold vision is to: (Is 49:6; Matt 28:19, Acts 1:8; Rom 1:16)

- Raise up an army of young revivalists who are deeply rooted in the Father's love, completely devoted to Jesus, and moving in radical dependency on the Holy Spirit.
- See Jews and Arabs reconciled, healed and walking in their fullness under Jesus' leadership and hastening His return.
- Come along side leaders in Israel to help produce high quality media (video teachings, interviews...) in Hebrew that will impact the Jewish people and the Nations.”
